Rock Hard

A premium, hoof hardener developed to protect brittle hooves, strengthen soft soles and disinfect frogs.

PRO FEET

NAF

★★★★★

A unique formulation that contains MSM and zinc sulphate to naturally strengthen the entire hoof capsule.

Directions for use: For best results apply Rock Hard to the frog and sole using the brush provided. Paint around the lower half of the hoof, allowing the fluid to seep into nail holes and splits. Apply daily for 7-10 days and during periods of wet conditions. Thereafter apply once weekly.

Key Ingredients: MSM and zinc sulphate.

FOR EXTERNAL APPLICATION TO HOOVES ONLY.

IRRITATING TO EYES.

AVOID CONTACT WITH EYES.

In case of contact with the eyes, rinse immediately with water and seek medical advice if irritation persists.

For external use on animals only. Replace lid after use. Keep out of reach of children. Avoid discharge into drains. NAF recommend a small 24hr test patch prior to initial use.

Irritating to eyes. Avoid eye contact. Xi

Harmful to the environment. Avoid release to the environment. N

Batch No: See bottle
